

DETAILED ACTION

Terminal Disclaimer

1. The terminal disclaimer filed on 8/10/10 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of U.S. Patent No. 6330088 has been reviewed and is NOT accepted.

The person who signed the terminal disclaimer is not recognized as an officer of the assignee, and he/she has not been established as being authorized to act on behalf of the assignee. See MPEP § 324.
2. An attorney or agent, not of record, is not authorized to sign a terminal disclaimer in the capacity as an attorney or agent acting in a representative capacity as provided by 37 CFR 1.34 (a). See 37 CFR 1.321(b) and/or (c). In particular, it is noted that there does not appear to be any power of attorney present in the instant application.
3. The terminal disclaimer filed on 8/10/10 is additionally deficient due to use of improper statutory language in the terminal disclaimer. In particular, Page 1 of the terminal disclaimer recites 'expiration date of the full statutory term defined in 35 U.S.C. §§ 154 to 156 and 173'. This language is improper, as it should state 'expiration date of the full statutory term defined in 35 U.S.C. §§ 154 and 173'. Please refer to forms PTO/SB/25 or PTO/SB/26 (available at www.uspto.gov) for examples of acceptable language that should be used in the terminal disclaimers.
